

Hobsons Bay Millennium Time Capsule

Hobsons Bay Mayor, Cr Dick Murdoch,
inaugurated the time capsule on 26 Jan 2000

On Australia Day 2000, Rotary's Hobsons Bay Millennium Time Capsule was inaugurated. It contained 34 mini-capsules with messages from 12,000 students and 100 adults

The mini-capsules below lay buried for 25 years

Each Hobsons Bay school had their own mini-capsule. Now, nearly 25 years later, reflections from the past form a legacy for the future.

At the summit of Truganina Park, the Time Beacon stood sentinel over the Time Capsule for 25 years. Inaugurated on 26 January 2000, the project strengthened community ties and encouraged a sense of belonging to the city's history.

(26 Jan 2000)

Marking the millennium, the Hobsons Bay community watched as 7 PVC pipes containing 34 mini-capsules were lowered into a 12-tonne concrete vault. Rotary's Hobsons Bay Millennium Time Capsule housed messages from 12,000 students and 100 adults.
